MATHS
QUEST

Name/s: _____

Don't colour in the counters too early.
Put a small dot of colour in each as you read and think about the clues.
Colour them in when you're sure you've found the solution!

One	<div></div> <div></div> <div></div>
Two	<div></div> <div></div> <div></div> <div></div>
Three	<div></div> <div></div> <div></div> <div></div>
Four	<div></div> <div></div> <div></div> <div></div> <div></div>
Five	<div></div> <div></div> <div></div> <div></div> <div></div>
